

60th ! Reunion

Questionnaire

Your answers to these questions will help us to make plans and commitments for lodging and activities. Your replies are not binding but are very important. A prompt response, whether or not you plan to attend, will be most helpful and appreciated.

Reunion Outline

The reunion begins on Thursday night, June 3, with Tech night at the Pops preceded by a Class dinner at the Stata Center. On Friday night we will join the Cardinal and Gray Society for a dinner dance on campus. Saturday night we have a class banquet at the new Picower Center for Brain and Cognitive Studies. There are many optional on-campus activities for all classes.

On Sunday we travel to nearby Salem to check in at the historic Hawthorne Hotel and enjoy a class dinner. Monday is full of activities (TBD) trolley rides, museum tours, and historic houses followed by a traditional New England lobster bake. On Tuesday we get to do all the things there wasn't time for on Monday plus maybe a cruise on a schooner. Tuesday night we dine at an attractive seafood restaurant with local fare.

Wednesday morning we leave for home or other destinations.

Cut on line below and mail

-
- I plan to attend hope to attend definitely will not attend

If I attend I will come with guests

- I will attend Cambridge events only Salem events only Both

- I need do not need handicapped accessibility
