Invitation
MIT Faculty Speaker Series
Prof. Dr. Hilke Schlichting
Berlin, May 31, 2014

The MIT Club of Germany cordially invites club members, MIT alumni living in Europe as well as alumni and friends from related universities for an evening of discussion and networking on **Sunday, May 31, 2015**.

We are honored to welcome MIT Professor **Hilke Schlichting** as our guest speaker for a talk and discussion on new discoveries of planets outside of our solar system. Prof. Schlichting is an excellent speaker and an expert on the topics of planet formation, extrasolar planets and solar system dynamics.

**Program**

17:00  **Welcome**

18:00  "Putting our Solar System into Context: Recent Exoplanet Discoveries from Kepler and New Insights into Planet Formation"  
by Prof. Dr. Hilke Schlichting  
MIT Department of Earth, Atmospheric and Planetary Sciences  
(http://web.mit.edu/hilke/www/Hilke/Welcome.html)

18:45  **Discussion with the Guest Speaker and Networking**

19:15  **Dinner** with Prof. Schlichting and guests (to be paid individually)

**Event Location**

Fresenius University, Campus Berlin, Jägerstrasse 32, 10117 Berlin-Gendarmenmarkt  
(http://www.hs-fresenius.de/en/the-university/locations/berlin)

**Registration**

For questions and to register please contact:  
Daniela Domeisen (daniela.domeisen@mit-club.de)  
Reinhard Geßner (gessner@alum.mit.edu), Tel.: 0175-294-7841

Although we appreciate you to register in advance, we also welcome you if you decide to join us on a short note and have no time to register beforehand.
