GM Powertrain – Baltimore Transmission Operations
Plant Tour Guidelines

The guidelines listed below are requirements in order to tour the manufacturing floor. Visitors who do not comply with the guidelines listed below will not be admitted onto the manufacturing floor.

- Sandals or open toe shoes are not permitted, enclosed shoes with heels no greater than 1 ½” are required
- Shorts or dresses are not allowed, long pants must be worn
- All visitors are required to watch a safety video prior to entering the plant and expected to adhere to all plant safety rules
- Food and drink are limited to the cafeteria and are not permitted on the production floor
- There is no smoking in the facility
- Safety glasses will be provided and must be worn during the tour

Our goal is to provide each plant visitor with a safe and informative tour…
